

A topographic map of the Berkshires region in Massachusetts, showing the Appalachian Trail as a red line. The trail starts near North Adams and Adams, goes south, then west through Sheffield, and continues south through Taconic State Park and North Canaan.

**APRIL
25-26**

HIKE AND CAMP ON THE APPALACHIAN TRAIL

**Off to the Berkshires we go! Let's
hike a section of the Appalachian
Trail**

We'll meet early Saturday morning, drive to the Jug End trailhead, hike several miles, set camp and enjoy the evening. We might even get lucky and enjoy a visit from one of the "thru-hikers" as they head north to Maine. The following day, we'll hike out and enjoy a great lunch before arriving home.

PLEASE RESPOND BY WEDNESDAY APRIL 15, 2020
